

Installer Certification Training Registration Form

Requested Date of Training: _____ (Reference Training Schedule at Website)

Requested Time of Training: _____ (Standard Start Time is 7:00 am PST)

Email for WebEx Invitation: _____

***** Please Read The Following *****

Icon Certification Training will require approximately 1.5 hours once the session has started. The training is conducted live through the internet and a **WebEx** conference program. Participation only requires good internet access, computer speakers, and a means for the return audio (computer microphone or an office telephone/cell phone connection). Make sure everything is operable before the training starts.

You will receive a confirmation email once the registration is received. Additionally, the day before the scheduled training, you will receive an email invitation from Icon with the **WebEx "link"** into your scheduled training session. At least 10 minutes prior to your scheduled training time, "click" on the link in the email and follow the instructions given on the screen. If you want to attempt a trial run to avoid any last minute technical difficulties, then please contact us to arrange it. If you have specific water intrusion problems that you would like addressed in the training, please email pictures ahead of your scheduled WebEx training.

The first condition of Icon's product warranty is installation by a certified installer.

Registrant Contact Information:

Participant Name: _____

Participant Email: _____

Company: _____

Phone: _____

Address: _____

Address: _____
